CHILDREN'S SUMMER UPDATE

July is one of the slowest times of year with summer and vacations in full swing. We hope you are enjoying the summer with your family and making some life-long memories together.

RECHARGE PRAISE UPDATE!

We want to thank you once again for the powerful response to the Recharge Campaign. All of our new workers have officially begun to serve in the Children's Ministry and have made an immediate impact. Each week has been an improvement over months past as we are able to give greater attention to all of our classes.

SUMMER CAMP COMING IN JULY 2011

We have had many requests from families about hosting a summer camp for the children of New Life Church. We are happy to report that we've officially booked a facility and will be hosting a camp for children 3rd grade through 6th grade. The camp will be at the O'Bannon Woods facility just outside Corydon, IN and will be Monday, June 13 – Friday, June 17, 2011.

We considered joining in with other existing summer camps from the area but decided to host our own due to flexibility and it being the most cost-effective solution. You might be wondering why we are letting you know about this a year in advance. The main reason is that it's going to be a lot of work to plan an event like this and we will need a lot of help. We will have a planning meeting soon and invite you to come out and share your ideas and experiences.

Many people have fond memories of the camps that New Life used to host under Jim and Kathy Wimberley's leadership. We hope to carry-on that tradition of excellence for the children and families at New Life Church today.

WHY CELL GROUP?

Cell Groups are the heart of New Life Church. This is where we can be "family," where we can "be" the Church. We believe the health of a church body flows from the intimate life each person has with Father God and from the richness in relationships with each other. Cell Groups give us a way to build relationships in a way that can't be done on Sunday mornings alone. Each week we meet for worship, prayer, discussion, and fellowship in an intimate setting. Just think of what the New Testament Church looked like in Acts.

Acts 2:42-46 "They devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer. Everyone was filled with awe, and many wonders and miraculous signs were done by the apostles. All the believers were together and had everything in common. Selling their possessions and goods, they gave to anyone as he had need. Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts," NIV

We want to do more than just "go to church" – we want to "be the Church." Come join us this week! You will find the list of Cell Groups on our website or you may contact us to find out which Cell Group best fits your time frame. To find out more about our Cell Groups or to make contact with a Cell Group that meets in your area, please email Tim Talbot at timt@newlifechurch-lou.org.

The Ukraine Mission Team in front of the Great Famine Monument and the Lavra in Kiev, Ukraine.

WELCOME BACK UKRAINE TEAM!

Ukraine is a nation of broken people and broken dreams. We were blessed to serve this country in many ways from a Soccer Clinic, Men's and Women's Rehab Centers, Orphan Homes, Hospitals, and Coffee Houses. God is a big God and we were just part of His story in reaching His Kingdom. Our team is looking forward to sharing our trip with you soon. One thing we can say we took away from this mission was that we have one life and

God calls us to the front lines; however, most of us live our lives from the spectator seats always looking from the outside. We thought we were going to make a difference in Ukraine, instead God used it to make a difference in all of us.

On behalf of the Ukraine team, we would like to thank you for supporting God's mission and ours. We know God has great plans for this nation and with our team.

YFN CAMP

Youth For The Nations is a totally dynamic and passionately intense summer camp for teenagers. Since 1990, thousands of young people from all over the world have flocked to the campus of Christ For The Nations Institute in Dallas, Texas in order to meet with Jesus and have their lives completely transformed by the power of God.

Over 40 of our youth and leaders will be attending this life changing camp July 5th-9th. Please pray that our group will have a spirit of expectation, protection, and lives that are transformed!
